

## Read Across AR

*Imagine a single day where every child in Arkansas is read a book....*

We are seeking libraries across the state to host a "Read Across Arkansas" event. Event activities can include:

- Adult and teen volunteers reading to children
- Library card sign ups
- Book exchanges
- Booths from local tutoring and mentoring programs to recruit long-term volunteers and youth program participants.

The library will be able to create an account [www.volunteerar.org](http://www.volunteerar.org) to promote their event and recruit volunteers.

For more details and support visit:
