

2018 Statewide Summer Library Reading Program

June 4th - July 27th, 2018 at the

Arkansas Regional Library for the Blind and Physically Handicapped

Patrons ages 18 and under are invited to join the Summer Reading Program beginning on Monday June 4th and continuing through Friday July 27th. This year's theme, "Libraries Rock", includes books about the fundamental role music plays in celebrations, self-expression, communication, connection, and daily life.

Participants will keep track of the amount of time they spend reading between June 4th and July 27th and turn in their total time at the end of the program.

Every participant who turns in their time spent reading, will receive a certificate and will be entered into a drawing for a Kindle Fire Tablet. There will be one drawing for each age category (0-9, 10-14 and 15-18).

Get ready for a swingin' summer as you celebrate the fact that libraries rock!
